Do you seek unique products that offer Quality, Versatility, Strength, and Sustainability?

Welcome to Butterfly Clips Global

We are a family owned and run business with our roots deeply ingrained in the heart and soul of Africa, where our beautiful clips are lovingly hand made. We would like to offer you the unique opportunity to partner with Butterfly Clips Global and we invite you to explore our wholesale program.

These innovative hair clips are Fair Trade and hand made by our talented weavers in the Gauteng region of South Africa. Our clips are unique, comfortable, and functional with one clip being worn in various styles. Our design uses a strong stainless steel wire frame, combined with triple-banded elastic, available in a variety of designs and colours for an elegant finish. Your customers' will love how incredible their hair will look in a matter of seconds!

For the past 17 years we have been working closely with our weavers to create the best quality hair clips money can buy. We carry the patent rights throughout the world to help protect the families of those who make them. Every order you place helps to alleviate poverty and unemployment in South Africa by providing employment, skills, training, and sustainable work. Your purchase directly supports our weavers and their families, and we are ecstatic to be a Fair Trade company. We proudly stand by our product being the only hair clip company in the world to offer a 1 Year International Guarantee!

With love from our hands to yours,

Emma
